MEMORANDUM FOR: Chief, FE

SUBJECT: Intelligence Directives

1. Copy number 70 of a ring binder containing National Security Council Intelligence Directives and Director of Central Intelligence Directives was made available by this office to [REDACTED] prior to his departure to [REDACTED]. No request was made of us for him to take this overseas. It is our understanding that in fact he has taken it overseas.

2. Attention is called to the fact that taking NSC documents overseas is specifically prohibited without permission from the Secretariat of NSC.

3. Since this binder is charged to this office it would be appreciated if you would arrange for its return. In the event that either your office or [REDACTED] needs a copy, release of such by OCD and with charge being made to FE/DDP should be arranged.
